PROJECTS

Entrepreneurs for Peace

I was tasked with the making of the fundraiser website (<https://www.uznemejimieram.lv/en>) in collaboration with [Draugiem Group](#). I was given a Figma design, Stripe account and a Wix project where i had to make it. I was the one who made the site in wix, was overseen by my teacher and had a meeting with the Entrepreneurs for Peace and Draugiem Group after which the project was finished.
